Atlantic cod has a fresh and mild umami flavour with a slight sweetness to the firm, juicy meat. Thanks to the cod's upbringing in the ice-cold and clean waters around Greenland, the meat is very white and the flavour fully developed. It flakes nicely when cooked and with its high protein and low fat it offers a healthy and nutritious meal.

The delicious gluten-free breading is based on chickpea and corn flour - wholesome and healthy wheat alternatives. Moreover the products do not contain eggs or milk, making them a good choice for several intolerances and allergies.

INGREDIENTS

Ingredients: Cod filet (**fish**) (*Gadus morhua*) (60%), gluten free breading (40%) : Rice flour, water, rapeseed oil, mazié flour, salt, modified maize starch, mazié starch, maize dextrose, vegetable fibre (bambus), leaving agents (E 500 ii, E 450i), stabilising substance (E 461). Pre-fried in rapeseed oil.

SERVING

The mild and slight sweetness from the cod is well accompanied by more savoury flavours. The products are well suited for fast and easy cooking, while maintaining all the flavour and juiciness in the meat.
