False Southern king crab, also known as Chilean snow crab or Centollon crab, has a bright orange shell with a hairy surface. The meat has a loose texture and a mild, sweet flavour.

Our false Southern king crab originates from the southernmost parts of Chile where it is fished by local fishermen and processed locally in our own facility in Porvenir.

The ready-cooked clusters are carefully packed in the master, and is ready to thaw and use without further cooking or preparation.

## INGREDIENTS

Clusters, salt.

## SERVING

The meat from false Southern king crab is an affordable delicacy. It is ideal for crab cakes, risottos, pastas etc.

## CATCHING GEAR

Traps

## CATCHING AREA
