Atlantic cod has a fresh and mild umami flavour with a slight sweetness to the firm, juicy meat. Thanks to the cod's upbringing in the ice-cold and clean waters, the meat is very white and the flavour fully developed. It flakes nicely when cooked and with its high protein and low fat it offers a healthy and nutritious meal.

Pretzel Cod Bites are made from pieces of Atlantic cod, breaded in a crisp and flavourful pretzel breading named after the traditional pretzel. The Pretzel Cod Bites have a rustic and appealing look.

INGREDIENTS

Cod (55%), **wheat** flour, water, rapeseed oil, salt, **wheat** starch, rice flour, **wheat** gluten, potato starch, yeast, rapeseed oil, acidity regulator (E524), maize flour, **wh**ey protein. Pre-fried in rapeseed oil.

SERVING

There are numerous ways to serve; as a yummy fingerfood, a snack, as appetizers or hors d'oeuvre. The small size, mild flavour and crispy breading makes Pretzel Cod Bites popular amongst both kids and adults.
